### Fingers Crossed

We have applied for the Ford Trust Grant which if awarded will give us £3000 to spend on Forest School Supplies. If you work for a company who match funds or know of anywhere we can apply to for a grant please let us know.

We are always looking for new members to join SAPA to help bring in fresh, new ideas for events and ways to fundraise. This year will be challenging due to local restrictions and social distancing so any help you can offer will be greatly appreciated in helping us to realise our goals.

Meetings are currently being held virtually, once a month via Microsoft Teams. If you would like to join the next meeting or have any ideas to share, please speak to one of the SAPA members or email [staugustinespta.chair@gmail.com](mailto:staugustinespta.chair@gmail.com)

## Important

We are so excited for the children returning to school in March and hope that we can bring you some AMAZING events in the next few months that we can enjoy together. We understand that times are hard at the moment and SAPA would like to let you know that we are all here to help. Please feel free to message any of the members if you need ANYTHING and we will do all we can to help. Even if it isn't school related. WE ARE IN THIS TOGETHER.
